

# Lucknow Junction Railway Station (LJN)

## लखनऊ जंक्शन रेलवे स्टेशन

Lucknow Junction railway station (official name Lucknow NER, station code LJN) is one of the two main railway stations of Lucknow city for broad gauge trains. Colloquially, it is known as "Chhoti Line", historically it harbored NE Railways' Meter Gauge. Lucknow JN or LJN station has six platforms. The platform no.6 is accessible to the two wheelers, auto rikshaws and cars through an underpass cabway. This cabway is third cabway of Indian Railway after Howrah and Gorakhpur railway stations.
