[NEW ON GEM](#)

Covid-19

1. In COVID-related categories, a restriction has been built on price increase where a seller cannot increase their offer price more than 20% of the lowest price in the last 30 days. This has been done to ensure there are no erratic pricing changes in these critical categories.
2. GeM is taking necessary steps to ensure that we are well prepared to face the threat Covid-19 poses by constantly upgrading the catalogue with products in Covid Medical and Auxiliary categories. Visit page by clicking here.
3. Click here to read GeM Covid-19 Status Report.

[New COVID-19 related features on GeM](#)

The following interventions have been made by GeM in connection with the fight against COVID-19:

1. Procurement cycle shortened for COVID-19 related items: Bid Cycle for COVID-19 related categories has been reduced to 3 days from existing 10 days. Buyers would also be able to reduce the Delivery Period for such items to 2 days considering the time critical nature of the items.
2. Local filter for purchase upto ₹5 lakhs enabled: Buyer will now be able to filter local sellers for purchases upto ₹5 lakhs to enable faster delivery of goods during COVID-19.
3. Shorter duration bids (3 days) for Services.
4. New business rule to stock out sellers who do not update stock within 48 hours of notification for specific categories.

5. New business rule for controlling price increase.
 6. Priority product and brand approval for COVID-19 related categories.
 7. Allowing delivery period extension 30 days beyond expiry of original delivery period.
 8. New webpage for tracking COVID-19 categories and number of sellers.
 9. Buyers would now be able to filter sellers based on Lead Time input for purchases below 5 Lacs (L1 purchase)
 10. Direct purchase of the same product from the same Seller by the same Buyer within 7 days is now allowed for Covid-19 related categories.

MAKE IN INDIA

Micro PC - Made in India

Micro PC by M/s ITI Limited, is an innovative product under "Make in India" initiative, offering several benefits over the conventional PCs, namely, low power consumption sleek design, light weight, low heat dissipation and rugged design for operation even in non AC environment. This product has already been accredited with BIS certification and also other statutory certifications like, ROHS, FCC, CE, ENERGY STAR, EPR etc. It supports Green Computing and works on grid power as well as solar power. It has several Variants with i3, i5 & i7 processor with service support of ITI's pan India support centres.

Initial deployments of ITI's Micro PC have been done in Universities, Hospitals, educational institutions and various other offices and may be very useful option to meet computing needs of your department/ministry. The product is useful for BharatNet service delivery outlets like CSCs and Aadhar enrolment etc.

Preference to Make In India products (For bids < 200 Crore): Preference shall be given to Class 1 local supplier as defined in public procurement (Preference to Make in India), Order 2017 as amended from time to time and its subsequent Orders/Notifications issued by concerned Nodal Ministry for specific Goods/Products. The minimum local content to qualify as a Class 1 local supplier is denoted in the bid document. If the bidder wants to avail the Purchase preference, the bidder must upload a certificate from the OEM regarding the percentage of the local content and the details of locations at which the local value addition is made along with their bid, failing which no purchase preference shall be granted. In case the bid value is more than Rs 10 Crore, the declaration relating to percentage of local content shall be certified by the statutory auditor or cost auditor, if the OEM is a company and by a practicing cost accountant or a chartered accountant for OEMs other than companies as per the Public Procurement (preference to Make-in -India) order 2017 dated 04.06.2020. Only Class-I and Class-II Local suppliers as per MII order dated 4.6.2020 will be eligible to bid. Non - Local suppliers as per MII order dated 04.06.2020 are not eligible to participate. However, eligible micro and small enterprises will be allowed to participate .I
