| DIG (R&T)   | Smt. R.P. Chhibber  |
| DIP         | Shri Ved Prakash    |

The following action points emerged:

- |    |                                                                                                                                                                                                                                                                                                                       |                                                                    |
|----|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------|
| 1. | Helpline No. 192 shall also be devoted to women and children in distress. This helpline will provide immediate help to all women and children calling in distress.                                                                                                                                                    | DG/RPF<br>AM/Tele                                                  |
| 2. | A Mobile application to alert the authorities for providing assistance to women and children in distress on Indian Railways should be put in place.                                                                                                                                                                   | DG/RPF                                                             |
| 3. | In the matter of security of women and children, sensitization of Railway staff for immediate and sympathetic response is required. For this purpose training of staff needs to be organized.                                                                                                                         | GMs/All<br>Zones &<br>PSUs                                         |
| 4. | Women rescue and rehabilitation schemes over the Indian Railways may be further intensified and proliferated.                                                                                                                                                                                                         | DG/RPF                                                             |
| 5. | Infrastructure facilities for women at Railways Stations and Trains which include separate toilets and changing rooms may be developed for women railway employees as well as women passengers. Facilities required should be planned and executed for the current year by including the same in the Works Programme. | AM (C),<br>AM (Hagg),<br>AM (Mech.),<br>GMs/All<br>Zones &<br>PSUs |
| 6. | Posters and signages may be designed for depicting aspects of security of women passengers and prominently displayed at Railway Stations and trains. DIP will supervise the campaign.                                                                                                                                 | GMs/All<br>Zones,<br>DIP                                           |
| 7. | Nakkad Hataks on women security may be organized at important Railway Stations to sensitize staff and public for which NGOs, Railway cultural organizations and Scouts and Guides may be associated.                                                                                                                  | AM(S)<br>GMs/All<br>Zones &<br>PSUs                                |
| 8. | Regular Announcements should be made to create awareness regarding discipline for women and children at stations and trains.                                                                                                                                                                                          | AM(C),<br>GMs/All<br>Zones &<br>PSUs                               |
