Sub: Implementation of New Catering Policy, 2017

253

Zonal Railways are well aware that with the implementation of the New Catering Policy, 2017, a large chunk of catering units and related activities have been transferred to IRCTC. Hence, the Zonal Railways have to accordingly curtail their role in the area of catering, as all the mobile catering units and majority of static catering units (especially in category A1 and A stations) stand transferred to IRCTC. The Group 'D' staff thus rendered surplus should be immediately redeployed against existing vacancies within the Commercial and Operating Departments, or alternatively in other departments where equivalent vacancies may exist. Consequently, Zonal Railways are also directed to withdraw catering staff engaged in other non-core activities like VIP catering, special catering, Railway Club catering or other semi-official catering activities like those related to Womens' Welfare Organisation, cultural functions, sports functions, etc., for which henceforth, private caterers should be engaged as IRCTC has also been directed to refrain from stretching their limited resources for such non-core catering activities.

All Zonal Railways are, therefore, directed to ensure implementation of the above instructions with immediate effect.
