Sub: **Workmen Safety.**

Ref: Railway Board's letter No. 2009/M(Safety)/7/2/Check List for Inspn.
Dated 27.09.2011.

Vide above quoted letter of Railway Board has desired that a safety action plan to ensure workers safety at the work spot should be prepared.

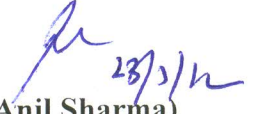

A copy of the safety precautions/instructions prepared by South Central Railway is enclosed herewith in respect of C&W Depots, Workshops, Diesel Sheds and RCDs. These should be followed with modifications as per local conditions.

Flexi boards containing these instructions should be prepared in Hindi and English and displayed at the relevant work spots for the guidance of workmen. The job should be completed by 10th April, 2012 and compliance be submitted.

Another booklet prepared by S.C.Railway laying down other instructions for safety organization is enclosed. Similar booklet should be prepared in all units and distributed to all concerned for strict compliance.

A copy of the same should be kept with officers and one copy in office library/drawing office.

DA: As above.

(Anil Sharma)
Chief Mechanical Engineer.

Copy to:

- 1) All Officers in headquarters for information and necessary action. They will ensure compliance in the field & inspect during regular inspections.
- 2) SSE/Drg. Office of Mech., One copy in CME/Drg. Office for record.
