

# VIGILANCE

## MISSION STATEMENT

“To channelize strenuous and diligent endeavours towards tackling corrupt practises effectively by speedy, three-pronged , preventive, investigative and punitive actions characterized by objectivity, sensitivity, precision and reliability and discharge the vigilance functions creditably in a targeted manner efficiently, honestly and economically by exercising continuous vigil and close monitoring in order to:-

- Ensure a culture of rectitude
- Put foolproof system in place to plug possible leakages of revenue.
- Instil greater transparency, judiciousness and prudence in decision-making processes.
- Act as a catalytic agent by raising storm signals and devising timely corrective measures to preempt spread of the canker of corruption.
- Strengthen intelligence network for reducing dependence on complaint-driven vigilance.
