No.TC-I/2014/108/4

New Delhi, Dt. 7.08.2018

Principal Chief Commercial Manager
Western Railway

- Sub: Doing away with the 5% random weighment in the case of HR/CR Coil**
Ref: (i) Rates Master Circular/Provision of Weighbridge/2014/0 and its corrigenda/
Addenda
(ii) Rates Master Circular/Weighment/2014/0 and its Corrigenda/Addenda

Please refer to WR's letter No.C611/3 Vol.XI dt.23.11.2017 wherein Railway has suggested to do away with the provision of 5% random weighment of wagons loaded with HR/CR sheets and plates.

The matter has been examined. It is to state that the provision for weighment of 5% of wagons by way of sample checks is bare minimum and necessary as deterrence. Therefore, Railway's suggestion to do away with the provision of 5% random weighment of wagons loaded with HR/CR sheets and plates has not been agreed to.

Extant guidelines regarding weighment of wagons as prescribed vide Circulars under reference are reiterated and all concerned may be directed to follow the Board's guidelines scrupulously.

This issues in consultation with Traffic Transportation Dte. of Ministry of Railways.
