Sub: JPO between RRB and RPF regarding utilization of security helpline 182
for reporting cases of touting/malpractices during recruitment by various
RRBs.

Several complaints of touts interfering in the process of railway recruitment and exploiting candidates for their illegal earnings are being reported from across the country. They are adopting different modus operandi like collusion with examination centre employee, misguiding candidates regarding their clout etc. and indulge in extorting money from them. The candidates, as of now, do not have any channel where they may report their grievances in real time regarding exploitation by these touts. They are generally hesitant in approaching police or RRB officials and therefore, many cases of touting go unreported and therefore, unpunished.

2. Therefore, a JPO has been finalized and signed by RPF and RRB so that helpline 182 can be properly utilized and the grievances of candidates received through this helpline is responded to promptly and effectively.

3. A copy of JPO jointly signed by RPF and RRB is enclosed for necessary action.

This issues with approval of DG/RPF & EDE(RRB).
