

# Achievements of RPF, IZN (up to September 30, 2020)

- 41 Shramik Special trains were received and handled by the division, from which 34154 passengers de-boarded. All these trains were successfully, without any untoward incident, escorted by RPF, IZN Division and passengers were de-boarded and handed over to the civil administration by following all the social distancing rules and regulations prescribed by the government.
- A total of 17 shramik specials were originated from the various stations of the division. A total of 28365 passengers were boarded in the trains by following all the social distancing rules and regulations and all the trains were successfully, without any untoward incident, escorted by RPF in the Division.
- In the Division RPF Security Management System (RSMS) was fully implemented and the legacy data from 2015 onwards was entered in the RSMS Database well before the deadline of Railway Board.
- In the Division E-Office has been completely implemented up to RPF Post/Thanas level and as such, physical communication of letters between posts and divisional office has been completely stopped.
- This year various special drives against touts were launched across the division and as such, a total of 43 cases (26% more than previous half year) were registered against 45 individuals under Section 143 of Railways Act.
- A total of 180 enquiries under Untoward Incident Rules, 2003 was conducted and submitted to the PCCM/NER. As such, due to the hard work and perseverance of subordinate officers of the force, no enquiry of more than 60 days is pending in the division.
- During the month of August and September special drives against the encroachment in Railway quarters was launched by the RPF in the division. Encroachment from a total of 37 quarters was removed and quarters were handed over to the concerned pool holder.
