(iii)CR's letter No.C/835/D/Policy II dt.15.04.2021

Please refer to CR's letter under reference (iii) wherein Railway has sought clarification whether round the clock working at goods sheds and sidings can be reduced to 06.00 hrs-22.00 hrs with the approval of DRM.

As per extant guidelines, the working hours and business hours of all railway terminals are 06.00 to 22.00 Hours.

In terms of Corrigendum No.15 dt.04.01.2021 [under reference (i)], DRM has been empowered to introduce the 'round-the-clock working' on case-to-case basis after analyzing traffic handled at railway terminal and possible improvement in wagon-turn-round.

Thus, the same authority, DRM, is empowered to revert the same with due consideration.

This issues with the concurrence of Finance directorate of Railway Board.
