

Gorakhpur Workshop :-

Gorakhpur Workshop was established in 1903 initially for repair and Periodical Overhaul of MG Loco, Coaches and Wagons. The Workshop is spread over an area of 29.8 hectare out of which 12.6 hectare (42.3%) is covered space. With increase of BG Coach Holding of NE Railway on account of BG Conversion, POH activities of BG Coaches were started in Gorakhpur Workshop in September, 1984. Under rationalization scheme of Workshop, the POH activity of MG Wagon was stopped in Gorakhpur Shop in February, 1986. MG Coach POH activity was stopped from January, 2001 and BG ICF Coach POH activity was further augmented. In Year 2018-19 SS-II of LHB Coaches has been started and later in 2020-21 BG MEMU POH and D-Check of Power Cars has also started.
