Note:-1. For the total advertised 4002 posts, only 3964 candidates were called for document verification. The remaining 38 posts which are reserved for PwBD candidates, have been kept reserved due to the non-availability of eligible candidates.

2. Issue of EWS/SC Candidates-

Priority for posts was obtained by the candidates while filling up the application form. Those EWS/SC Candidates who were qualifying in UR cut-off were called against UR posts but some of the candidates were not getting higher preference of post at the time of allotment against UR vacancies were shifted to EWS/SC category and allotted higher preference of posts as per his/her choice. Such EWS/SC candidates on UR merit were considered against EWS/SC quota. Hence, some candidates initially called for DV against EWS/SC quota but could not get any allotment due to the non-availability of EWS/SC posts.

Those candidates of EWS/SC may be adjusted in case of replacement panel sought by Division/Units and rejection of pending candidates.
